

LUKOIL WINDSCREEN WASHER -20°C Black Edition

Premium fluid intended to clean, prevent windscreens pollution and icing

Product description

Mixture of aqueous solution of isopropanol, performance additives, fragrance components and colorants. Thanks to modern detergents, the fluid effectively cleans dirt, fat (oil) and other organic compounds, and also ensure the environmental safety of the product. WINDSCREEN WASHER does not contain methanol or ethanol. The composition does not leave marks and streaks after application, and also does not contain aggressive chemical components that can harm the paintwork and rubber parts of the car.

Application

Suitable for all windscreen washer systems of major vehicles manufacturers. Completely harmless for all types of car paint. Protects glass and glass contour from freezing at low temperatures.

The product name in an order: LUKOIL WINDSCREEN WASHER -20°C Black Edition, STO 82851503-049-2013

Typical test data
